

Cabins

{mosloadposition user9}

Duffin Cove Resort offers two ocean front cabins. These cabins are located about 45 stairs down into our private rocky cove. The Ocean Front Cabins are an A-Frame construction with an open floor plan downstairs. In the main area there is a queen bed, double sofa bed, wood burning fireplace and fully equipped kitchen with Stove, oven & microwave. Then upstairs there is a loft with two single beds. Each cabin has private 10 X 16 foot Cedar deck only meters away from the ocean. All of our rooms also provide cable TV, coffee and tea, refrigerator, and deep soaker marble tubs. These rooms are great for couples on their honeymoon, a romantic getaway and also great for families.

Ocean front cabins will sleep up to six persons comfortably.
